Patrick,

Good morning! My secretary doesn't work on Friday. I wanted to let you know that we received your order. We did have that item in stock . I have it packed up and ready to ship. I did use fedex instead of USPS. USPS has recently lost multiple international packages so I'm afraid to use them.

The attached picture has your tracking number. Chris, the secretary, usually sends a more professional email , but I'm not sure how she does that.

I hope you have a good weekend
